

## **Bug report.**

1. Reporter: Vadym Korolov
2. **Product:** <http://automationpractice.com/index.php>
3. **Bug priority:** Normal
4. **Test environment:**  
Windows 10  
Browser Firefox 72.0.2 (64-bit)
5. **Steps to reproduce:**

I am on the main page of application.  
Enter in „Search” field phrase “Casual Dresses”  
Click “Magnifier” button.

**6. Expected result:**

- User moved on page with search result.
- The system displays list of Casual Dresses

**7. Actual result:**

The system displays products, which are not Casual Dresses (Blouse) on the search result page (Screen shot in attachment).
